put down! Von Connie I found this book while browsing in the store where I work. After looking at it a couple of minutes, I decided that it may be interesting. I showed it to two co-workers who also wanted to buy it! I bought it just three days ago. I put it down to go to work and to go to church. I'm not even half way through it and I have already learned a lot about the Bible that I didn't know. It sort of puts some things into perspective. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wow ! Von Ein Kunde Did you know that the main reason that God didn't kill his chosen people while they were in the desert was because it would make him look bad? Read it!
