**Von John Leighton : 1,100 Designs and Motifs from Historic Sources (Dover Pictorial Archive)** before purchasing it in order to gage whether or not it would be worth my time, and all praised 1,100 Designs and Motifs from Historic Sources (Dover Pictorial Archive):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A useful classicVon Ein KundeThis is a good sourcebook for classic Renaissance style and some Greek style illustrations. Much of the Renaissance art is Greek inspired. Especially noted are the beautiful, and out of the ordinary depictions of Aphrodite. It is intersting to see the Old Pagan influence in these historically accurate depictions.

Kurzbeschreibung Hundreds of beautifully rendered, royalty-free images painstakingly adapted from a host of design traditions: primitive tribal, Egyptian, Greek, Etruscan, Roman, Chinese, Japanese, Persian, Byzantine, French Renaissance and more. Also, decorative motifs derived from metalwork, heraldic ornament, floral vignettes, letters, other elements. Invaluable sourcebook for artists, craftworkers and decorative art enthusiasts.
