**Kurzbeschreibung** This package contains the complete two-volume set of *First Corinthians* and *Second Corinthians* from the MacArthur New Testament Commentary series. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. In *First Corinthians* and *Second Corinthians*, respected preacher and Bible teacher John MacArthur demonstrates how the Corinthian church required Paul's repeated care as the apostle sought to correct errors of unchristian practice, worship, and doctrine. Concerned with false apostles who were leading the church astray, Paul defended his own authority as God's apostle and sought reconciliation within the church. MacArthur explores these issues by giving a verse-by-verse analysis in context and providing points of application for passages, illuminating the biblical text in practical and relevant ways. Both volumes form yet another set of comprehensive and compelling commentaries in his New Testament series, and are a must-have for every pastor's library.
