Kurzbeschreibung This package includes the complete two-volume set of 1 Peter and 2 Peter Jude from the MacArthur New Testament Commentary series. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. These commentaries from respected Bible scholar and preacher John MacArthur give a verse-by-verse analysis in context and provide points of application for passages, illuminating the biblical text in practical and relevant ways. In 1 Peter, MacArthur demonstrates how this letter, written to persecuted believers scattered throughout Asia Minor, speaks to faithful Christians suffering today. Even when believers face trials and adversity, they can rest in their salvation, live out their testimony, and look forward to Jesus' return. In 2 Peter Jude, both letters address the need to combat false teaching and to strengthen believers in the truth. In a day when sound doctrine is devalued, MacArthur's analysis of these warnings has never been more needed.
