Von Murray Bromberg, Melvin Gordon : 1100 Words You Need to Know (Barron's 1100 Words You Need to Know) before purchasing it in order to gage whether or not it would be worth my time, and all praised 1100 Words You Need to Know (Barron's 1100 Words You Need to Know):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The Need to KnowVon Bill FitzgeraldI have been using this vocabulary development book in teaching students from 8th grade Honors English up through high school levels. I really like the concept and the way the exercises are developed. I was pleased to see the changes from the 2nd edition to the 3rd and now I am anxiously waiting to see the 4th edition.

However, I find that some of the idiomatic phrases have fallen into such disuse as to not be of much practical help. I also question the connotations implied in the context of some of the vocabulary words being used in the vignette. I still think it is the best book available for vocabulary development and I use it continuously throughout the school year. 1 von 1 Kunden fanden die folgende Rezension hilfreich. big vocabulary in bite-sized chunks Von Richard This vocabulary book is fantastic! You work on 10 words for each of 5 days, and then a weekly quiz. The text stimulates and preps your mind to soak up the definition of each word by first showing you its use in a paragraph, then testing you with fill-in-the blank sentences. Finally, you learn the definitions via a matching quiz. But, after the paragraph and blank sentences, you almost know the definitions already! Also, each day a language idiom is presented as a further boost to a highly functional vocabulary. This is a great vocabulary book. I highly recommend it. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Excellent Resource Von Ein Kunde I use this book while tutoring adults who are learning English as a second language. Each day, 5 new words are presented, activities incorporating the new words can be finished in less than a half hour and a review for the words learned for the week is also available. The words used are challenging but common. During my time helping the students i also get a good vocabulary review!

Kurzbeschreibung Updated to meet the needs of students preparing for the latest versions of the Sat and Act college entrance tests, the new edition of this helpful, longtime best-selling book features word lists with definitions, analogy exercises, word games, and words-in-context exercises. A special feature is the authors' Panorama of Words, in which each of the book's 1110 words is presented in a sentence from a well-known novel, play, poem, or other literary source. A new "Bonus Materials" section commemorates this book's 40th Anniversary as a leader in vocabulary building and test preparation.
