**Von Martin Brennan, Michael Jackson : 13 Coins** before purchasing it in order to gage whether or not it would be worth my time, and all praised 13 Coins:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Fans von Simon Bisley bekommen genau was sie erwartenVon Jo84"13 Coins" ist eine neue Reihe des Verlages Titan Comics,fr die als Zeichner Simon Bisley ergattert werden konnte.Die Texter Martin Brennan und Michael B. Jackson

schrieben ihm dafür eine Story auf den Leib, wie sie typischer für Bisley nicht sein könnte. Es geht um gefallene Engel und ihre Pläne, die Vorherrschaft über die Welt zu übernehmen. Leider durchkreuzt ihre Pläne die Existenz eines "Erstgeborenen", der mit Hilfe weiterer Erleuchteter den Kampf gegen die Gefallenen aufnimmt. Das erste HC der noch nicht abgeschlossenen Serie sammelt die amerikanischen Ausgaben 1-6. Heft 1 ist absolut fantastisch gezeichnet und so ziemlich das Beste, was Bisley jemals zu Papier gebracht hat. Auch Colorist Ryan Brown zeigt, was für ein Genie er ist. Leider hatte Bisley von Ausgabe zu Ausgabe immer weniger Lust, und seine Zeichnungen werden immer weniger detailreich und immer skizzenhafter. Brown muss Schadensbegrenzung betreiben und reißt mit seinen Farben alles raus, so dass sogar die erbärmlichsten Krakeleien Bisleys noch gut aussehen. Respekt! Dass Bisley für Band zwei noch zur Verfügung stehen wird kann ich mir nicht wirklich vorstellen...oder dass Titan ihn überhaupt noch will! Trotzdem ist das Produkt insgesamt nicht schlecht. Allerdings hätte es ein absoluter Traum werden können, wenn Bisley so weiter gemacht hätte wie in Heft eins...

**Kurzbeschreibung A NICE DAY FOR A RECKONING!** John Pozner always knew he was special; that his athletic abilities and fighting skills were far from human. But with a broken childhood, drug addictions, and a criminal record on his plate, he's already fought more than his share of battles for one lifetime. Or so he hoped... Woken to his true angelic nature, John quickly finds himself at the center of an apocalyptic war - one that could spell the end of existence as we know it - with no choice but to train in order to confront the holy destiny he never asked for. From Eisner award winning artist, Simon Bisley (Hellblazer, Batman/Judge Dread: Judgment on Gotham, Lobo) and writers Martin Brennan Michael B Jackson (Hitman: Absolution), comes an action-packed tale of Biblical proportions, where scheming politicians, secret societies and heavenly factions collide in a brutish struggle for worldwide domination.
