KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz okVon CustomerViele der Stars sind eher weniger bekannt oder schon so lange her oder alt, dass es mich in meinem Alter kaum noch interessiert. Die bersicht geht leider verloren, weil das nchste Restaurant an der unteren vorigen Seite

anfnigt, statt auf einer neuen. Muss man diese 2 Abstze wirklich einsparen? Manchmal sind die Namen unter den Bildern der Stars falsch geschrieben, was ich peinlich finde. Auerdem denke ich nicht, dass die Autorin behauptet die Erlaubnis hat diese ganzen Bilder zu verwenden, aber das kann mir ja egal sein. Alles in allem ist es eine coole Idee und ich werde bestimmt fter darin blttern. Bis auf die oben angefahrten "Kleinigkeiten" ein gutes Buch.

Kurzbeschreibung DISCOVER AND HANG OUT AT THE SAME PLACES AS YOUR FAVORITE CELEBRITIES. AND IF YOU ARE LUCKY, YOU MIGHT EVEN SPOT THEM THERE! 2012 CELEBRITY HOTSPOTS LOS ANGELES RESTAURANT GUIDE is your inside track to over 100 Los Angeles area restaurants ranked by where the most celebrities have recently been spotted. Each restaurant listing details the the most spotted celebs, an extensive list of other celebrities spotted there, and a "fan fave" spotting complete with photos of your fave celeb(s). There's something for everyone of all ages and interests. Featured are an eclectic mix of over 1500 celebrities including actors, actresses, athletes, authors, business people, chefs, comedians, dancers, directors and producers, fashionistas, mistresses, models, musicians, politicians, reality TV stars, socialites, tabloid stars, TV personalities and many other famous (and infamous!) people. This one-of-a-kind, comprehensive guide showcases restaurants ranging from very expensive, upscale fine dining experiences to down and dirty dive joints where one can enthusiastically grab a hotdog at 4am. Interactive hot-links to each restaurant are built in, making it simple to check them out, make reservations, and get directions. 2012 CELEBRITY HOTSPOTS LOS ANGELES RESTAURANT GUIDE is perfect for vacation or business trip planning, a crazy or mellow night on the town, choosing where to take out-of-town guests for their ultimate Los Angeles experience, or just plain old deciding where to have breakfast, lunch, dinner or a late night snack. HAPPY SPOTTING AND BON APPETIT! ABOUT CELEBRITY HOTSPOTS CELEBRITY HOTSPOTS is a publisher of celebrity-oriented local city guides for reference and reading pleasure. The first two books in the series, 2012 CELEBRITY HOTSPOTS LOS ANGELES RESTAURANT GUIDE: Where YOUR FAVE Celebs Dine and 2012 CELEBRITY HOTSPOTS LOS ANGELES BARS AND CLUBS GUIDE: Where YOUR FAVE Celebs Party are available as ebooks. Other guides (coming soon!) will feature hotels, and other popular venues that are enjoyed by both locals and visitors. CELEBRITY HOTSPOTS roots began with an iphone/ipod app that became available in the Apple itunes store in early 2010. As the first location-based mobile guide to the places celebrities eat, drink, live, play and die, CELEBRITY HOTSPOTS made it fun and easy to discover the places where celebrities were recently spotted. The app was ideal for finding new places to hang out in various cities, especially Los Angeles, New York, Miami, Las Vegas and London. Initially, the app featured 15,000 spottings of an eclectic mix of 5,000 celebrities at 1,000 locations. Since then, the database has grown to over 60,000 spottings, 15,000 celebrities and 2,500 locations. It continues to grow daily, providing the inspiration, content, and exciting opportunity to create a series of CELEBRITY HOTSPOTS city guides. For many years I was lucky enough to have fun creating, launching and marketing fragrances for Estee Lauder/Aramis and Giorgio Beverly Hills. Then I had fun in the advertising world providing traditional and digital strategy for clients such as Nestle, Mattel and FX Networks. Now I'm having fun keeping up with the latest pop culture trends and writing local city guides with a celebrity spin. THAT'S MY STORY. WHAT'S YOURS?
