Von Hongchen Wang, Genghan Lu : 25 Ways to Understand the Chinese Language: A Short Introduction (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised 25 Ways to Understand the Chinese Language: A Short Introduction (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Interesting reading Von Kunde Of course not a book to learn Chinese. If you are interested in the language, however, and want to learn some of its general characteristics then this is a very nice book. It gives 25 things about the language together with some characters. Especially for new students of Chinese very entertaining!

Kurzbeschreibung This book is for general readers who want to know about the Chinese language: where it originated, how it developed, and the ways it expresses meaning. This book also serves as a reference handbook for beginner and intermediate students of the Chinese language. The appendix includes some useful grammatical terms with explanations and short introductions to Chinese dictionaries and Allegorical Sayings.
