ExcellentVon Choolwe Julia MunsakaThis is a powerful and excellent book and I would recommend it to all. I feel extremely blessed and thank Pst. Charles Magaiza for this book.

KurzbeschreibungMy fasting journey began at an early age in life. The challenge from that time was always a guide to help one through the time of intense commitment in prayer. The need is always there to be able to hear the voice of God which is important at this time of your spiritual journey otherwise the time of fasting will go to waste. The Holy Spirit began to inspire me to put books together to help believers as they go through their journey of fasting and prayer. The fast should not be just the putting away of food but a time to seek and find the face of God. This book will guide you through your three days of prayer and fasting.
