KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very clear and concise information to improve your gameVon PD D. Daniel AWENGENAndy Chao sets standards in writing books on how to better your golf to higher level. A must read. Test it!

Kurzbeschreibung In How to Break 70, bestselling author Andy Chao takes a look at what it takes to Break 70. You'll find what he calls the 4 Keys to Breaking 70 and will go into detail on what you need to do in terms of driving, greens in regulation, putting, and scrambling to actually give yourself a reasonable chance of breaking 70. You will also be among the first to learn about the Chao Driving Frontier which is a new and innovative way to look at driving the golf ball and its relationship to scoring. Andy Chao is a great person to take you through this process as quickly and efficiently as possible. He is both accomplished in golf as well as business. As a junior he played competitive golf in tournaments with players such as Tiger Woods, Phil Mickelson, and Dave Stockton. Though he "retired" from competitive golf, he still managed to be Captain of the Harvard Golf Team. Business-wise, he has an MBA from The Wharton School, and as can be seen from the reviews on his previous books, is quite effective at helping golfers break through scoring barriers. If you are a player in the 70s looking for a method to break-through to the next level, this book is for you! And if you are a recreational player looking to learn more about what it takes to raise the level of your golf game, this book is for you also. Find-out the Keys to Breaking 70 now! Regular Price is \$6.99. Get yours for \$4.99 in a limited time promotion. (This book is approximately 27,500 words and 90 pages.)
