Von Dr. Nancy L. Nolan : 45 College Recommendation Letters That Made a Difference (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised 45 College Recommendation Letters That Made a Difference (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

ExcellentVon Christina G.General introduction and guide to writing letters of recommendation, as well as 45 example letters. These are so diverse that probably everyone finds a letter that fits his style and situation, no matter what major or background.

KurzbeschreibungWhen they prepare for college, few candidates take the time to acquire the caliber of

recommendation letters they will need to distinguish themselves in a highly competitive applicant pool. This book, which was written by an Ivy League admissions expert, offers detailed advice to write (and get) persuasive letters that highlight the personal, academic and professional strengths the committee expects to see. It also includes 45 successful recommendation letters for students who have distinguished themselves as scholars, leaders, volunteers, athletes, and performers. Finally, there are also persuasive letters that explain extenuating circumstances in a candidate's history (such as disappointing grades and low SAT scores). At top colleges, where the competition is fierce, the quality and depth of a candidate's recommendation letters can make the difference between acceptance and rejection. Whether you are an applicant who needs a persuasive letter of recommendation, or someone who has been asked to write one, this exceptional book is mandatory reading.
