Preis/Leistung TOPVon ASGutes Buch, was fr die wichtigsten Grammatik-Formen alltgliche Fragen, Ideen, etc. enthlt.Werds definitiv in meinen Unterricht einbauen, damit jeder S was sagen kann (zumindest zum Nachbar)..0 von 0 Kunden fanden die folgende Rezension hilfreich. Als Anregung geeignetVon Angel HeartFr jemanden wie mich, der krzlich begonnen hat einen Kurs Conversation in der Oberstufe des bay. Gymnasiums zu halten, ist dies ein guter Ideengeber. Man muss aber sagen, dass der Aufbau des Buches - Thema als berschrift und darunter zehn Fragen - ohne jegliche Hinweise zur Durchfhrung eines Kurses, mehr nach Steinbruch aussieht. Man kann seinen Teilnehmern ja nicht immer nur die Fragen vorlegen und sagen: "Redet mal!" Da wren ein paar Ideen zur praktischen Durchfhrung schon hilfreich. Die muss man mit dem Buch eben selbst haben.0 von 0 Kunden fanden die folgende Rezension

hilfreich. Gute Anregungen für erste Konversationsübungen von Kursen mit starker Binnendifferenz. Von Ellirege.... Mehr aber auch nicht. Da geben aktuelle Artikel auf unterschiedlichen Niveaus fast mehr her.... Bei Arbeit in Gruppen sind die Studenten sehr stark sich selbst verlassen.

Kurzbeschreibung If you teach grammar to English language learners, this book will make your life a whole lot easier. It's a great way for your students to practice grammar in a natural and engaging way while you listen for any problems they are having. It's going to save you a lot of prep time as well. Each topic has 17 questions which will fill between 20 and 50 minutes of class time depending on how talkative your students are. You can also pair down the questions for a filler activity, warm-up, or review. It's a perfect supplement to any of the major ESL or EFL textbooks that teach the four skills (speaking, listening, reading, writing) and contain a grammar component. The grammar points are organized with the most commonly taught grammar points at the beginning of the book. There is also a grammar explanation section for each grammar point that will act as a refresher for teacher. It may be the only resource book of conversation questions designed to practice specific grammar points. Need topic based conversation questions instead? Try my other book 1,000 Conversation Questions: Designed for Use in the ESL or EFL
