Very helpful companion for all intermediate learners of MSAVon 4Ryan88I found this book very helpful when I prepared for my arabic exam in my second semester of arab language-studies. It is clearly structured by roots, every verb is conjugated in all forms and accompanied by example sentences. I wouldnt recommend it for complete beginners though as you have to be aware of the basic structures of the arabic language to use this book2 von 9 Kunden fanden

die folgende Rezension hilfreich. Arabische Verben Von David Paenson Das arabische Verbsystem ist ziemlich komplex, vor allem für den Einsteiger. Dieses Buch hilft einem nicht wirklich, die ersten Hürden zu überwinden. Schade.
