A constant source for reference as well as for "pulling together" the thousands of idioms and related vocabulary which is helpful only if you can use the verb correctly. A basic and a must for Italian studenti! I lost my copy to my professor and had to buy another one. A great value.1 von 1 Kunden fanden die folgende Rezension hilfreich. 501 italian verbsVon Ein KundeI am currently living in Italy and interact with Italians day to day. This book is a great help.
