KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut, aber es ginge besserVon Michael RiegerHtte mir mehr Checklisten und bildliche Darstellungen gewünscht, vieles wre damit klarer. Strukturierung und Aufbau knnte verbessert werden.Generell ok, guter berblick.

KurzbeschreibungThis book could save you a lot of money by helping you avoid buying the wrong yacht or equipment. The author takes you through all the things you need to think about before getting out your cheque book. There's even a comprehensive check list for use when you view a second hand yacht.This book gives you all the questions to ask before you buy.What kind of sailing do you want to do? What are the hidden costs that will affect your budget? What size of Yacht will suit you best? What Hull shape and build material will suit your sailing? What kind of sail plan would work for you? What equipment do you want to fit? And finally, how can you avoid getting stung when you make the purchase?KurzbeschreibungThis book could save you a lot of money by helping you avoid buying the wrong yacht or equipment.
