Von Judith Meyer : 72 Ways to Learn Japanese for Free - Tips, tricks and websites used by polyglots (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised 72 Ways to Learn Japanese for Free - Tips, tricks and websites used by polyglots (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great information for beginnersVon Lynn BryanNeedless to say I don't speak Japanese currently but after getting this book, filled to the brim with all sorts of useful tips, I now have more than enough research materials to use now for getting my Japanese language skills up to fluency asap. I loved the tips and I highly recommend this book, especially for beginners wanting to learn Japanese.

KurzbeschreibungEnrich your life by knowing a foreign language. Get a salary raise, have more interesting vacations and make more friends - all because you speak Japanese!How to Learn Japanese on a BudgetThis cheap Kindle book reveals how you can* get free high-quality language courses* have free lessons with qualified Japanese teachers* effectively study Hiragana, Katakana and Kanji* find good free Japanese dictionaries* learn more words and phrases without paying a cent* improve your grammar* develop a native-like accent* work on your ability to read, listen, write or speak JapaneseAll methods use freely-available materials, whether online or offline. In this day and age, there is no need to spend a lot of money on learning languages.The Fast Track: Use the Same Methods Experts UseI'm a polyglot: I speak 12 languages. I can't spend too much time on each language or there wouldn't be any time to study the others. I assume that you want to learn Japanese fast, too. So this ebook only contains methods that work for me and other polyglots, methods that will enable you to learn Japanese quickly. Hand-picked Materials OnlyThese days, a lot of companies litter the internet, the app store and the Kindle store with defective or half-assed "free" materials that are really only promotions of their paid content. I ignore those and my book only recommends extensive and effective free materials that I have used myself.For All LevelsNo matter whether you are a beginner, an intermediate or advanced student of Japanese, or even a homeschooling mum, you will find plenty of useful suggestions in this book. There are7 ways to get free lessons with a teacher8 ways to get free Japanese courses3 ways to learn the Japanese writing system12 ways to increase your Japanese vocabulary6 ways to improve your understanding of Japanese grammar3 ways to help you develop a good accent13 ways to get started on reading Japanese11 ways to improve your ability to understand Japanese movies and conversations5 ways to get better at speaking Japanese4 ways to improve your Japanese writingScroll up and get your copy now!KurzbeschreibungEnrich your life by knowing a foreign language.
