KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The best resource ever for all language learners! (not just Spanish)Von LydiaI am really impressed by this short ebook which has more useful information on language learning than anything else I've ever seen. I am an active polyglot, working on my 8th foreign language right now, so I know something about language learning methods and tips, but Judith Meyer managed to surprise me with dozens of new ideas, websites and resources. With this book, you can easily plan your language learning totally for free. It's all out there on numerous language learning forums and blogs, but Judith packs it all into a compact and very user-friendly way, so that anyone (whether they have experience in learning languages or not) can decide what they'll be doing with their Spanish. I'm definitely going to use many of these tips and resources for my current language (not Spanish). Thank you so much, Judith!

KurzbeschreibungEnrich your life by knowing a foreign language. Get a salary raise, have more interesting vacations and make more friends all because you speak Spanish!How to Learn Spanish on a BudgetThis cheap Kindle book reveals how you can\* get free high-quality language courses\* have free lessons with qualified Spanish teachers\* find good free Spanish dictionaries\* learn more words and phrases without paying a cent\* improve your grammar\* develop a native-like accent\* work on your ability to read, listen, write or speak SpanishAll methods use freely-available materials, whether online or offline. In this day and age, there is no need to spend money on learning languages.The Fast Track: Use the Same Methods Polyglots UseI'm a polyglot: I speak 12 languages. I can't spend too much time on each language or there wouldn't be any time to study the others. I assume that you want to learn Spanish fast, too. So this ebook only contains methods that work for me and other polyglots, methods that will enable you to learn Spanish quickly. Hand-picked Materials OnlyThese days, a lot of companies litter the internet, the app store and the Kindle store with defective or half-assed "free" materials that are really only promotions of their paid content. I ignore those and my book only recommends extensive and effective free materials that I have used myself.For All LevelsNo matter whether you are a beginner, an intermediate or advanced student of Spanish, or even a homeschooling mum, you will find plenty of useful suggestions in this book.
