**Von Katie Cotugno : 99 Days** before purchasing it in order to gage whether or not it would be worth my time, and all praised 99 Days:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One bad choice two bad decisions and a love triangleVon KundeThis is not just another romance novel! 99 days is a compelling story, proving that actions always have consequences!Its a story about a complicated and unthinkable love triangle between since they can walk best friends and inseparable Molly and Patrick and his older brother Gabe. Small

town kids who grew up together only to make one, unexpected, complicated mistake which Molly's mom, a writer, bases her best seller book about and then the secret is out...Molly is the one who of course everyone in their small town label's adulterers and is forced to leave her senior year of high-school. Summer before college, Molly is returning to her small home town to wait out her 99 days before she can turn a new leaf and go to college. But destiny has other plans...Life's full of cross roads and decisions, this story just shows how one impulsive decision alters your whole life...I read this book in a day, it's amazing and i just wish there was a sequel! Highly recommend! 0 von 0 Kunden fanden die folgende Rezension hilfreich. total page-turner Von Ines99 Days by Katie Cotugno is about a girl who broke her boyfriend's heart by having an affair with his brother. A year after all that had happened she now returns to spend the summer back home again, facing hatred, being unwelcome and people badmouthing about her. Although she seems to have a bad start in her home town, things finally turn out better for her, however, she continues making bad decisions and messing up. I'm not a fast reader, but this book totally hooked me. I couldn't stop reading, as it is an easy read, but still written in such a realistic way. I really hope there will be a sequel, as I'm still puzzling over how the love triangle could go on and how life will be for Molly with people who don't know about her past.

**Kurzbeschreibung** From the acclaimed author of *How to Love* comes another stunning contemporary novel, perfect for fans of Sarah Dessen. Molly Barlow is facing one long, hot summer 99 days with the boy whose heart she broke and the boy she broke it for . . . his brother. Day 1: Julia Donnelly eggs my house my first night back in Star Lake, and that's how I know everyone still remembers everything. She has every right to hate me, of course: I broke Patrick Donnelly's heart the night everything happened with his brother, Gabe. Now I'm serving out my summer like a jail sentence: Just ninety-nine days till I can leave for college and be done. Day 4: A nasty note on my windshield makes it clear Julia isn't finished. I'm expecting a fight when someone taps me on the shoulder, but it's just Gabe, home from college and actually happy to see me. "For what it's worth, Molly Barlow," he says, "I'm really glad you're back." Day 12: Gabe wouldn't quit till he got me to come to this party, and I'm surprised to find I'm actually having fun. I think he's about to kiss me and that's when I see Patrick. My Patrick, who's supposed to be clear across the country. My Patrick, who's never going to forgive me. **Pressestimmen** This book will appeal to fans of E. Lockhart's *The Disreputable History of Frankie Landau Banks* (Hyperion, 2008), offering complex characters, plot twists, and an insightful look at society's double standards. (School Library Journal) A thought-provoking story...[that] explores the powerful bonds that arise between childhood friends who grow up to discover romance (Publishers Weekly) Molly's a totally engaging, multi-faceted character A fascinating story of adolescent love and betrayal. (Kirkus) A complicated, compelling summer romance and a whole lot of kissing make[s] this one to stick in the beach bag. (Bulletin of the Center for Children's Books) Praise for *HOW TO LOVE*: There are those novels, once in a spectacular blue moon, that just feel perfect. *HOW TO LOVE* is that book. Perfect. (Carolyn Mackler, winner of the Printz Honor and bestselling author of *THE FUTURE OF US*) Praise for *HOW TO LOVE*: *HOW TO LOVE* is epic. I crushed so hard on this book. A roller coaster ride with all the euphoric highs and the stomach-dropping lows of falling in love. The writing is as beautiful as the love story. I adored it! (Siobhan Vivian, author of *THE LIST*) Praise for *HOW TO LOVE*: A vibrant, sparkling narrative of first love and second chances - will remind you that love isn't ever easy, but falling for a great story is. (Entertainment Weekly) Praise for *HOW TO LOVE*: [In this] confident debut...it's impossible not to root for the two of them to beat the odds. (Publishers Weekly) Praise for *HOW TO LOVE*: Cotugno's debut ambitiously, and intriguingly, follows a couple who fall in love twice, over two different time periods. (Booklist) Praise for *HOW TO LOVE*: Readers looking for a story of whirlwind passion and a happily-ever-after drive into the sunset will not be disappointed.
