Von Beth Jones : 99 Writing Exercises for Horror Writers (99 Writing Prompts Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised 99 Writing Exercises for Horror Writers (99 Writing Prompts Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. brauchbarVon peBrauchbar, besonders fr den Unterricht. Solche Bcher sollte es ruhig auch im Deutschen geben.

Vielleicht etwas Rezeptbuch-artig. Aber das ist oft sehr praktisch. Und lehrreich.

Kurzbeschreibung Horror writers have a difficult task. We have to scare our readers without alienating them. We have to make our readers feel, even through the pages, gripping fear. We have to make them care about our characters. We have to make them afraid. We have to terrify them. We have to scare them but we have to make it believable, even when it isn't. Sometimes, this is one of the most difficult parts about being a writer. If you're a horror writer, or you want to become a horror writer, this book is for you. Filled with writing prompts, ideas, story settings, and even sample sentences, this book will get you started on the road to scary writing. Whether you want to write about monsters, ghosts, vampires, zombies, or something completely different, writing prompts will help get you started on your journey. Complete one a day or even one a week. You may find that you burn through a couple in one afternoon if the mood really strikes you. A writing prompt isn't designed to stifle your creativity or to take the thinking out of writing - it's designed to help you feel even more creative than you already do. Whether you have writer's block or you just aren't sure how to get your story started, this book is for you. Best of luck.
