Von Fiona Roberts : A Beard In Nepal before purchasing it in order to gage whether or not it would be worth my time, and all praised A Beard In Nepal:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ich habe mehr erwartetVon DIIn einem Hotel in Nepal habe ich das Buch gesehen und habe die ersten Seiten gelesen. Die waren humorvoll und ich habe beschlossen nach dem Rckkehr nach Deutschland das Buch zu kaufen.Aber nach den ersten

sehr lustigen Seiten gab es am meisten Beschwerden über alles mögliche und das Buch war im Großen und Ganzen ziemlich langweilig. Nur am Ende findet man etwas Positives und Spannendes über das Land und die Leute. Also: Nepal ist viel spannender und vielseitiger, als es in diesem Buch erscheinen mag! Und noch etwas, das mich sehr gewundert hat. Die Autorin hat über Chitwani Nationalpark geschrieben, dass es dort Tiere aus Plastik gab, die als echte gezeigt wurden. Aber mindestens vor 5 Jahren, als mein Mann in diesem Park zu Besuch war, waren da echte Tiere. Also geht es um eine Anti-Werbung oder gab es damals echt Tiere aus Plastik? Hmmmm...

Kurzbeschreibung When the author and her partner were offered the chance of spending five months teaching English in a remote village high in the Himalayas of Nepal they grabbed the life changing opportunity. 'A Beard In Nepal' is the story of the time they spent living in the small, isolated village of Salle, which is almost untouched by Western civilisation, and in manic, crowded, noisy Kathmandu. A compulsive read, often humorous, we follow the couple from Liverpool as they struggle with the daily challenges of altitude sickness, severely restricted diet, and close encounters with wild tigers. The book describes their often comic attempts to teach English to a group of lively youngsters in a wooden hut in a forest, using blackboard and chalk, and without the benefit of electricity, water or toilet! 'A Beard In Nepal 2 - Return to the Village' 'A Beard In Nepal 3' - Just published!! All of the 'Beard In Nepal' books are bestsellers.

über den Autor und weitere Mitwirkende Fiona Roberts was born in Liverpool. She taught English in Paris for 9 years, and then returning to England, taught in Canterbury and Folkestone. She was married to Billy Roberts, a medium, and for several years ran an agency promoting his work, and the work of other psychics and mediums. She also wrote books for him. In 2009 they spent 5 months in Nepal teaching English in an isolated village. They returned there in 2011. Those trips have changed their lives. Fiona is a working medium and gives private readings. She also works part time in an office in inner city Liverpool, dealing with the public. Her feet are firmly planted on the ground."
