**Von Mal Couch : A Bible Handbook to the Acts of the Apostles** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Bible Handbook to the Acts of the Apostles:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. more than a handbookVon FERRELL KEARNEY"A Bible Handbook to the Acts of the Apostles" is a very useful

handbook, suitable for the student, the lay-person, or the minister of many years. Its format is well laid-out and easy to follow; a very readable book. Two chapters are found to be very helpful, even for one who has been many years in the ministry. The first of these is Chapter 2, particularly the section dealing with Roman Catholic teaching on the church. It shows that though teaching and practice have changed over the years, the basic doctrine of the Roman Catholic Church has not changed; thus, present practice and teaching is at odds with basic doctrine. CHAPTER 3, dealing with the person of Christ, is very helpful as the names and titles of Christ are drawn together so we can more easily see who Christ is and what He does. This is a book that could easily be read through from cover to cover, rather than being used just as a handbook. Highly recommended.

Kurzbeschreibung  
Numerous evangelical scholars present an in-depth look at the themes, people, places, and terms used in the book of Acts.  
ber den Autor und weitere Mitwirkende  
Mal Couch (Th.M., Dallas Theological Seminary, Th.D., Louisiana Baptist Seminary) is founder and president of Tyndale Theological Seminary and Biblical Institute in Fort Worth, Texas. He previously taught at Philadelphia College of the Bible, Moody Bible Institute, and Dallas Theological Seminary.
