Von Patti Henderson : A Blessing from Above (Little Golden Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Blessing from Above (Little Golden Book):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A wonderful and simple story about adoption.Von Ein Kundel love A Blessing from Above because it is such a simple story which you can use to talk to your own child about their special adoption story. The illustrations are beautifully done and the story of Mother Roo desiring a child and then receiving her Blessing from above (a little blue bird) can easily led into a number of different types of adoption whether foreign or domestic and even those with trans-racial families. This is the first adoption book I have found that is of its type using an animal's experience which is great for the younger child. It is great in reinforcing that the child is a blessing and was very much wanted. It also shows the birth-mom as happy to see her child safely and lovingly received into Mother Roo's pouch.0 von 0 Kunden fanden die folgende Rezension hilfreich. a beautiful story on the "miracle of adoption"Von Ein KundeJust as there is the miracle of childbirth,there is the miracle of adoption-a mother who can instantly love a child that is not biologically her own.

We have an adopted 2 year old and this is the most precious book I have seen thus far on the subject of adoption. I couldn't have written a story that was more suitable myself!! The author does a lovely job of conveying the yearning of Mother Roo to have a family of her own. I can't wait to read this to my little boy and explain to him that he fell write into my "pouch"! I highly recommend this book for all adoptees and their friends and families.0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Book for all children!!!Von Ein KundeThis is a great book for all children especially adopted children. My kids love the book!

KurzbeschreibungEvery night before she goes to sleep, a kangaroo prays under the stars for a baby to love and hold. One day, as she rests under a tree, a baby bird falls out of its crowded nestplop!right into her pouch! Now, every night before they fall asleep, Momma-Roo and Little One thank God for all their blessings . . . but especially for each other.The book closes with a quote from Ephesians 1:5: In love he destined us for adoption to himself. . . .From School Library JournalKindergarten-Grade 2-This sentimental picture book, which begins and ends with New Testament Scripture, is about a mother kangaroo that prays for a baby. Seeing other animals with their young only intensifies her longing. When a baby bird falls out of an overcrowded nest and lands in the kangaroo's pouch, she hugs her "blessing from above" and decides to raise it as her own. There are several problems with this adoption story. Apart from the questionable circumstance of the mother bird being delighted to have a chick for which she has no room adopted, or calling a childless kangaroo "Momma-Roo," Henderson's story has the wrong focus for the intended audience. It is not on the youngster being adopted, but on the mother and her desires. Edge's watercolor and pen-and-ink cartoon illustrations depict a tranquil countryside complete with blooming flowers, ducks on a lake, and a large willow tree-hardly the environment in which to find a kangaroo. Jamie Lee Curtis's Tell Me Again about the Night I Was Born (HarperCollins, 1996) is a far more suitable, child-centered choice.Marianne Saccardi, Norwalk Community-Technical College, CTCopyright 1999 Reed Business Information, Inc.KurzbeschreibungEvery night before she goes to sleep, a kangaroo prays under the stars for a baby to love and hold.
