Von Sam Juneau : A Chateau of One's Own: Restoration Misadventures in France (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Chateau of One's Own: Restoration Misadventures in France (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nach

dieser Lektüre will niemand mehr ein Schloss in Frankreich kaufen Von Lioba Riedel-Laule Schn geschrieben, ein Lesevergnügen auch für Nicht-Engländer. Romantische Vorstellungen vom eigenen Schloss in Frankreich werden ganz schnell begraben. Sicherlich auch wertvoll für alle, die mit einem eigenen Bed and Breakfast-Betrieb in Deutschland liebügeln, auch wenn dies nicht in einem Schloss ist. 0 von 0 Kunden fanden die folgende Rezension hilfreich. truly an adventure Von Thomas L An insight on a true journey trying to make dreams become real. Chapeau and respect for the courage to do so. Sam Juneau writes in a very entertaining, open and often ironic way about two Americans getting into France and trying to set up a BB in a huge Loire Valley chateau.

Kurzbeschreibung Sam and Bud were ordinary first-time homebuyers in their early thirties. Their intention, in moving to France, was to create a simple life in a place where they could spend time with their children. The home they actually bought was a 17th century chateau in the Loire valley with over thirty rooms. Chateau Du Bonchamps had been the seat of noble families as far back as 1507. With only modest savings, Sam and Bud launched the exciting project of restoring this extraordinary building to its former glory. Over several years they renovated 10,000 square feet of house, installed countless bathrooms, painted 156 windows, put the 40-acre park and gardens into some semblance of order and started a bed and breakfast against resistance from the locals. Their hardwork prevailed; their chateau quadrupled in value. The things we dream do not always fit nicely with the realities of everyday life. This is an insightful glimpse of what it truly means to leave everything behind to pursue a dream. Kurzbeschreibung Sam and Bud were ordinary first-time homebuyers in their early thirties.
