**Von Robert Louis Stevenson : A Child's Garden of Verses (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Child's Garden of Verses (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Gedichte Schatz welcher in keinem Haushalt fehlen sollte Von eDas Buch ist wunderschön illustriert. Es befinden sich darin sämtliche Gedichte und Reime mit welchen die englisch sprachige Kinder aufwachsen. Wer ein zeitlos schnes Gedichte-Buch für Kinder sucht, sollte hier zugreifen! 1 von 1 Kunden fanden die folgende Rezension hilfreich. A Portable, Usable 'Child's Garden of Verses' Von Ein Kunde Everyone knows Robert Louis Stevenson; everyone has at

least one of the myriad books of his poetry. There are some stunningly illustrated collections of his poetry out now, notably two by Thomas Kincaide, among others. But how many of us have actually read all or most of his work? I'm guilty as charged. This smaller, quieter version of Stevenson's poetry helped me finally, actually read all the Garden poetry. True, the illustrations are spare, but delightfully accurate. My children (7 and 10) were not as mesmerized by this book as they are by others with fanciful graphics, illustrations and larger type to accompany the poetry. Still, this small book found its way into my purse to be used for waiting moments, e.g. at the orthodontist, doctor, and also to my bedside, where its sheer diminutive size did not dissuade me from reading "for only a minute or two." And within Stevenson's words and language lie the ferment of creative pictures. I liked to have my children close their eyes while I read short poems to 'force' them to use only their mind's eye. I thoroughly enjoyed the adventures, moods, and images Stevenson conjures and at long last can understand why his poetry remains so classic.

1 von 1 Kunden fanden die folgende Rezension hilfreich. wonderful poems that will stay with you Von A. Creech Like many others, I first read these poems as a very young child. I didn't realise until rereading them just recently how many of them had stayed with me. The poems all deal with sounds, sights and emotions that will be familiar to most young children. And as an adult, the poetry of Robert Louis Stevenson brings back that sense of wonder and amazement that many of us lose as we grow older. One of the poems that I will always remember deals with how difficult it is to go to bed when you are told in the summer when the days are long and the sun is still out. who doesn't remember this? The illustrations in this particular edition, by Tasha Tudor, capture perfectly the childhood world of the poetry--the imagination in play is wonderfully portrayed. Remember when the space under the table became a cave, or a castle, or a spaceship? These poems and the accompanying illustrations deal with these imaginary adventures that all children share in. Purchase this book and share it with other adults and with the children in your life. If it stays with you for the rest of your life, then you have gained a treasure.
