Von Ein Kunde "A Day's Work" is wonderfully engaging and a beautifully illustrated work. It is so rare to find a children's book today which integrates moral truth so seamlessly into a believable and thought-provoking story. We will never be without this book on our bookshelf to read to each child as he comes to the age of reasoning! A MUST HAVE for any family who values teaching their children at an early age about honesty accountability.

Kurzbeschreibung Francisco, a young Mexican-American boy, helps his grandfather find work as a gardener, even though the old man cannot speak English and knows nothing about gardening.
