**Von Leslie Dunkling : A Dictionary of Epithets and Terms of Address** before purchasing it in order to gauge whether or not it would be worth my time, and all praised A Dictionary of Epithets and Terms of Address:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A must for anyone interested in our earthy mother tongue. Von Ein Kunde This book, while definitely slanted towards the eastern end of the Atlantic is still a valuable resource for explaining just what terms such as "pinhead" mean to non-native speakers. For Americans, it makes for enjoyable bathroom reading as well as a handy guide to the more obscure aspects of British vernacular. The book's only shortcoming is its lack of depth concerning modern-day US slang.

Kurzbeschreibung First published in 1990. Routledge is an imprint of Taylor Francis, an informa

company. Pressestimmen "Hilarious, delightful, descriptive explanations of [late] twentieth-century usage." -English Language Notes . " . . . a worthwhile and unique addition to most undergraduate library collections.--"Choice.."" "A Dictionary of Epithets and Terms of Address is readable and informative and should be considered by academic and public libraries." -"Booklist, Dec. 15 1990. "One of the most valuable sections of the book is the introduction, in which Dunkling communicates to readers of varying interests and backgrounds both information and excitement about the mysteries of the English language." -"Choice, 1991 ""Epithets and Terms of Address is not only an excellent casual read for the curious, but a crucial arms-length reference for anyone who works with words." -"Paper Magazine, 1991 Kurzbeschreibung First published in 1990. Routledge is an imprint of Taylor Francis, an informa company.
