It was like being awoken by having someone throw ice cold water at me. There were times where my flesh was recoiling - I almost stopped reading half way through because I was soooo uncomfortable. Yet I pressed on and realized that I had to hear what John was saying because lukewarm was the way I had been living my life then realizing that the Lord will vomit out those who are lukewarm. I didn't want

to be spit out. There is now a new confidence about who God is and how I am to serve him with my life. If you don't want to be challenged and be changed don't even think about reading the introduction. But if you truly are seeking God, He will meet you amidst the pages of A Heart Ablaze. In a nutshell - this book is transforming.0 von 0 Kunden fanden die folgende Rezension hilfreich. Don't read this if you don't want to change!Von Martin / Diane WebsterDO NOT READ THIS BOOK if you wish to remain lukewarm, satisfied with your walk with God, and outwardly acceptable. This book challenges those may have slipped into "acceptable" Christianity for whatever reason. John Bevere offers an unadulterated treatise on drawing near to God with pure hands and a pure heart. If you want to be a man or woman after God's own heart, I strongly urge you to devour this book, then re-read it again! You WILL BE CHANGED, and you will want to draw even closer to God. I know that I only want to know God more intimately as a result.0 von 0 Kunden fanden die folgende Rezension hilfreich. YOU HAVE TO READ THIS BOOK!Von Beverly SelbyI am so thankful for this book. KurzbeschreibungGod delivered Israel from Egyptian bondage to captivate them for Himself. In the arid wilderness He planned to reveal His nature and ways to them, but they drew back. How different are we today? Many confess the Lordship of Jesus and acknowledge His saving power, yet like Israel, they've drawn back. Rather than pursuing His heart they have cleaved to this world's form of worship-the worship of self. As a result we have changed the image of Jesus to be like us. Fire can alter these images. The fire we need is found in the Holiness of God. God is calling us to draw nearer stillto tremble on Mt. Ziontransformed to touch others.KurzbeschreibungGod delivered Israel from Egyptian bondage to captivate them for Himself.
