Von Beth Moore : A Heart Like His: Intimate Reflections on the Life of David (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Heart Like His: Intimate Reflections on the Life of David (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Well worth the time you will need to investVon Lisa (lisadon@acadia.net)This study was a life-changing experience for me.

I began the study with a ladies' group, at a military chapel, and wasn't able to attend regularly. However, I continued giving my time to it, almost every day, and each time I got into it, I received multiples of blessings. This study called me into accountability for sins I had not previously recognized, and opened up new ways for me to look at God. I learned that He is worthy of so much more than I had been giving. Giving more to God has brought so many blessings into my life, such as peace, assurance, confidence, sweeter fellowship with Him, and a more Godly lifestyle. I am by no means perfect, but I did grow significantly in the few months it took me to complete this study.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is a life changing book. You must read it!Von Ein KundeBeth Moore breaks open David's life in a soft, yet direct fashion. She looks at every aspect of David's life. She starts with Samuel and Hannah. She goes on to King Saul and how his disobedience cost him the kingdom. She then walks you through David's life as if she were there as a participant. The incredible way that she reaches into heaven and brings down David's story is amazingly breathtaking. This book is one that you will find hard to put down. You will walk away from this book with a greater understanding of David, God, and yourself.0 von 0 Kunden fanden die folgende Rezension hilfreich. A moving, humorous, tearful journey through David's lifeVon Kelly WordenBeth's book is a wonderfully written journey through the life of a man who sought God's own heart. She fluctuates between humorous observations on the actions of the Biblical characters I thought I knew so well, and touching parallels to the life of the ultimate "Son of Man". This book held me captivated from the introduction to the final period. I look forward to more books like this from Beth.

KurzbeschreibungWe all go through times when we feel insignificant or times when we feel certain that we have experienced a degree of failure from which there is no return. This is not a reality we experience alone, but is one that a man after Gods heart experienced as well. From shepherd, to refugee, to king of Israel, David exhibited the purest virtues and the most heinous sinfulness, but through it all his relationship with the Lord continued to grow.A Heart Like His looks at this bond of mutual love and admiration between a man who was not unlike any of us and the one true God who is all good and all powerful. Beth Moore walks us through an exploration of Davids incredible life, drawing spiritual insights from a man who boldly fulfilled his divine destiny not merely by what he did, but who he loved and served. Bringing lessons from Davids life to bear on your own, this picture of a man who loved and followed God will help you to serve with a heart focused on Him no matter the circumstance.Available here for the first time in trade paper, this new edition also features an excerpt from Moores David: Seeking a Heart Like His Bible study..deIn this extended reflection on the life of David, drawn from the accounts in the two books of Samuel and from the Psalms, author and self-described Sunday school teacher Beth Moore translates into plain and direct language the message she finds in this story of a shepherd boy who is chosen as God's own servant. Moore approaches these texts not as a scholar but as a believer. As the inclusion of review questions would suggest, her interest here is less historical and more immediately pragmatic: she wishes to see what David's life has to say to followers of Christ. Her reading is personal, yet supported by a study of the Hebrew and Greek texts--above all, the notes to the book suggest, through a number of Bible dictionaries and concordances. While apparently not well-versed in English poetry (she calls John Dryden a 16th-century philosopher when most would call him a 17th-century poet), the real appeal of the book for many will lie in its approachable style: the writing is direct, personal, and honest. She writes, she tells people, as a "regular" person who says, "I don't make Christ part of my life; He is my life." --Doug Thorpe.comIn this extended reflection on the life of David, drawn from the accounts in the two books of Samuel and from the Psalms, author and self-described Sunday school teacher Beth Moore translates into plain and direct language the message she finds in this story of a shepherd boy who is chosen as God's own servant.
