Von Goldie Hawn : A Lotus Grows In The Mud before purchasing it in order to gage whether or not it would be worth my time, and all praised A Lotus Grows In The Mud:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich.
GRATEFULLVon Ein KundeIch habe dieses Buch in London gekauft derzeitig war Goldie in London in dem
Buchladen....ich habe sie getroffen sie hat es signiert.....diese frau ist der hammer.....das buch selber ist
interessant und leicht zu lesen obwohl es auf Englisch geschrieben ist.....einmalig diese Biografie es lohnt sich

wirklich.....viel spa.....and surprise surprise.....2 von 2 Kunden fanden die folgende Rezension hilfreich. Sehr gutVon Ein KundeEin sehr schnes Hrbuch, von Madame Hawn persnlich (und sehr gut) gelesen. Es ist ein Vergngen ihr zuzuhren. Es keine normale Hollywood-Biographie (mit Scandalen, Affren, etc.), sondern sehr schn natrlich und mit viel Lebensweisheit erzht. Wer Goldie Hawn kennt, weiss, dass sie sehr esoterisch ist. Diese Esoterik gibt der Autobiographie einen besonderen Touch. Sehr zu empfehlen!1 von 1 Kunden fanden die folgende Rezension hilfreich. "macht Spa"Von Laura BrEin englisches Buch lesen, kostet mich schon einige berwindung, da das Lesen bei mir deutlich lnger dauert, weil ich immer alles verstehen mchte und deshalb im Wrterbuch nachschlage. Aber der "Aufwand" hat sich gelohnt und mir viel Freude und Spa gemacht. Goldie beschreibt ihr Leben wie einen Kinofilm, von der Kindheit bis heute. Oft sehe ich in Gedanken Szenen und berlege aus welchem Film sie stammen, dann fllt mir ein, dass ich sie im Buch gelesen habe. Sie hat so eine positive Grundeinstellung, sehr menschlich und warm. Immer wieder beschreibt sie Erlebnisse, die wirklich filmreif sind.Wer sich fr sie interessiert wird bestimmt nicht enttuscht sein, wenn er das Buch gelesen hat. Kaufempfehlung!

KurzbeschreibungTHE SUNDAY TIMES BESTSELLERIn A Lotus Grows in the Mud, Goldie Hawn takes us on an inspiring odyssey and, with her trademark effervescent humour, reveals the lessons she's learned and the wisdom she's gained along the way. This is Goldie's chance to talk about everything from anger and fear, to love, compassion, friendship, and the many challenges she's faced in her career.First recalling her early days as the little girl from suburbia who longed to be a ballerina but felt like an ugly duckling, Goldie then takes us on a whirlwind tour through her go-go dancing years in 1960s New York, her phenomenal success on TV's Rowan Martin's Laugh-in, Hollywood stardom and her extraordinary experiences in films such as the Oscar-winning Cactus Flower, Swing Shift, and Private Benjamin. She also speaks about her relationship with her family - partner Kurt Russell, her children Kate Hudson, Oliver Hudson and Wyatt Russell, and her stepson Boston.Written with compassion and integrity, A Lotus Grows in the Mud is an insightful and inspiring look back at a life well lived by a woman well loved.From Publishers WeeklyLooking for the lowdown on lover Kurt Russell? Hot for Hollywood dish? Forget about it. Hawn, the goofy blonde of TV's Laugh-In and the star of Cactus Flower, Private Benjamin and other films, isn't too interested in discussing her career or her love life, although she does chat about her girlhood years. She was slow in school, but her loving parents nurtured her other talents, especially her dancing. Breaking into show business in the 1960s, when women still had to deal with the casting couch, was tough-Hawn gives graphic detail on cartoonist Al Capp's lechery. But she loves men anyway, feeling sorry that they have all those "hormones raging through their blood like a drug." What she really wants to share with readers is her attitude toward life, which boils down to flower power minus the drugs. A spiritual traveler (tourist, some would say), Hawn embraces all people of faith and makes a point of finding a "spiritual teacher" whenever she visits a "holy city." India is a special love: "People live their lives on the street.... Everybody shares." Hawn's a big supporter of Operation Smile, which offers reconstructive surgery to youngsters in less-developed counties. Indeed, readers learn more about the various orphan boys (Hopi, Asian, Peruvian) Hawn has looked after than about her own children. Her handsomely produced volume, including two photo inserts, positively overflows with spiritual enlightenment. Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.PressestimmenGoldie Hawn is no ordinary Hollywood actress and in her remarkable new autobiography, she tells the story of her life with self-deprecating wit and real emotional honesty (DAILY MAIL)We learn a great deal about her early life, her family, friends and, most revealingly, the deeply spiritual side of her personality... [And] we glimpse the hidden depths of a decent and delightful human being (SUNDAY EXPRESS)She went from playing a ditzzy blonde to being a major Hollywood player. Now Goldie Hawn wants to use her own life story to help people find inner calm (THE TIMES)Goldie Hawn seems to have it all: a perfect relationship, a decades-spanning career, looks that can light up a room even at 59. But as her new autobiography reveals, she didn't get this far by being just another dumb blonde (SUNDAY TELEGRAPH MAGAZINE)Hollywood autobiographies are ten a penny, and that's what most of them are worth. Not so this excellent book by Goldie Hawn, who avoids the standard Tinseltown 'tell-all' to pen a personal reflection on her own life... A must-read book (SUNDAY EXPRESS MAGAZINE)
