KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A beautiful and astoundingly elaborated Bible story.Von Michael LammThis story is very fascinating to read. You feel like being in Jericho - 2000 years ago. It's a very close to the Bible filigreed story. Kids love it, too!

KurzbeschreibungIt's amazing, how a well-known happening from olden, biblical times can wow you anew when you take a closer look at it!This is an arduously and lovingly elaborated short story to Mark: 10,46-52 (Bible).You can read it to children, but you can also marvel at it yourself! For the factual reports the Bible tells us are exciting and affecting see for yourself!KurzbeschreibungIt's amazing, how a well-known happening from olden, biblical times can wow you anew when you take a closer look at it!This is an arduously and lovingly elaborated short story to Mark: 10,46-52 (Bible).You can read it to children, but you can also marvel at it yourself!
