Von Martha Brenner : Abe Lincoln's Hat (Step into Reading) before purchasing it in order to gage whether or not it would be worth my time, and all praised Abe Lincoln's Hat (Step into Reading):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
Fantastic!Von Ein KundeThis step into reading book is a must for any elementary student's study of Abraham Lincoln.
Our copy had been worn out from use. This book portrays Lincoln as fun-loving, compassionate and a little forgetful.
He discovers that keeping important papers tucked inside his hat helps remind him of things to do. Illustrations are

plentiful and appealing. The last page has photos of four people mentioned in the book. The photos were taken around 1860. The stories in the book are said to be true.0 von 0 Kunden fanden die folgende Rezension hilfreich.

Unforgettable Hat Story Von Reflection Haiku I know Abe Lincoln always wore a hat, but I don't know he kept notes and papers in them until I read this book with my kids! One of the great reads from STEP INTO READING (STEP 2) books written for grades 1-3, ABE LINCOLN'S HAT has much to teach young history readers about America's 16th president. In this book, Abe Lincoln wore a smile and did not look serious at all. He was portrayed as a hard-working, people-friendly, visionary and brave leader. From a poor lad to a respected lawyer, he fought for justice on behalf of common people. When neighborhood children played tricks on him, he was not mad at all and even liked the joke. Abe Lincoln believed slavery was wrong and he tried to get elected into the US Senate so he could change laws. He lost the election to Stephen Douglas but became famous and when he ran for the president in 1860, it was a victory. He freed the slaves and helped unite the nation after a long war. My kids are deeply drawn into the biographic anecdotes and watercolor illustrations where they found the true story about Lincoln's hat very interesting (and unforgettable) and it successfully shows them through easy-to-read lines Lincoln as a great man and president.1 von 1 Kunden fanden die folgende Rezension hilfreich. Perfect For Introducing Lincoln To Young Readers Von Ein Kunde Brenner does an excellent job crafting the story of Lincoln with his stovepipe hat as a centerpiece! Full of interesting facts that humanize this icon, kids will love reading and rereading this book. The Step into Reading Series needs more of these historical pieces at this level!

Kurzbeschreibung How do you remember things? President Abraham Lincoln used a special trick -- he placed reminders under his top hat! Read all about it and more in this leveled reader perfect for President's Day and for anyone looking to discover fun facts about one of our nation's greatest presidents! This Step 3 History Reader shares some fascinating anecdotes about Abraham Lincoln, one of our greatest presidents. Abe started out in life as an absent-minded frontier lawyer. How did he nudge his memory? He stuck letters, court notes, contracts, and even his checkbook in his trademark top hat. When he took off his hat, it was all there! Young readers will be utterly engaged with how Abe's humanity comes across in this accessible, easy-to-read book. Step 3 Readers feature engaging characters in easy-to-follow plots about popular topics. These books are for children who are ready to read on their own. Kurzbeschreibung How do you remember things?
