Von Sam K. Williams : Abingdon New Testament Commentaries: Galatians before purchasing it in order to gauge whether or not it would be worth my time, and all praised Abingdon New Testament Commentaries: Galatians:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich.
Balanced outlook and commentary on Galatians Von Ein Kunde Sam Williams' commentary on Galatians is both scholarly and understandable. He presents a balanced view throughout: stating the different scholarly points of view on interpretation of certain verses, and clearly explaining the rationale for his opinion on such matters. His writing style makes it possible for lay people to read and understand his book - and in the process to expand their

understanding of Paul's letter to the Galatians. The end result is a clear focus on what caused Paul to write the letter to the Galatians, and how we can apply Paul's writings to our late-20th century experience as Christians. An excellent resource for any Bible study leader or participant.

Kurzbeschreibung This informative and engaging commentary invites modern readers to "overhear" Paul's letter as if they were present in one of the Galatian house-churches where it was being read for the first time. By setting aside the theological baggage of the centuries that burdens many other interpretations of Galatians, Williams allows the Apostle's own provocative thought to be encountered freshly and appreciated anew in its own terms.

Buchrückseite The Abingdon New Testament Commentaries series provides compact, critical commentaries on the writings of the New Testament. These commentaries are written with special attention to the needs and interests of the theological students, but they will also be useful for students in upper-level college or university settings, as well as for pastors and other religious leaders.
