**Von Ajith Fernando : Acts (The NIV Application Commentary)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Acts (The NIV Application Commentary):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good insights from a "3rd world" prospective.Von Ein KundeI was glad to see the editors chose Ajith Fernando as the author of the study of Acts. It is good to read a perspective of the Early Church from someone who is not from North America or Eurpoe. Ajith is from and ministers in Sri Lanka. His illustration concerning prejudice in the Acts, Chapter

10, was enlightening.

Kurzbeschreibung Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable -- but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretive task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible means but also how it can speak powerfully today.

Synopsis In the NIV APPLICATION COMMENTARY series, this volume looks at the book of Acts, which tells the story of early church leaders continuing the work of Jesus. This commentary gives portraits of the church in action around the world by one whose ministry mirrors many of the stories told in Acts.
