Courtesy of Teens Read TooVon TeensReadTooThe beginning of ADIOS TO ALL THE DRAMA finds Alex, Mariana's Puerto Rican boyfriend, coming to stay with her family for the next few months. Her Spring Mills friends are eager to check him out after what they've finally learned about him.The arrival of Alex brings all sorts of new complications into Mariana's life. The day she is creating a welcome basket for him, her friend, Emily, encounters her mom at the

Constitution Center with a strange man. Emily confronts her mom and decides to go live with her father. And Madison is avoiding the obvious with her so-called boyfriend, Evan - Evan doesn't want to admit to his friends that he even knows her. So it's on this note that Alex arrives. And life gets even more involved upon his entrance to her house. Her father catches her and Alex kissing in her bedroom. He goes ballistic. And then when Mariana discovers unknown photos of her on Alex's camera, she calls her brother, Vince, for guidance. Vince turns around and tells their father. With her uncles in tow, the grown Ruiz men take Alex on an unforgettable bonding day. From the day Mariana discovers the photos, her feelings for Alex start to change. Throw in that she's still confused over the almost-relationship with her locker buddy, Bobby, and she just doesn't know what to do. ADIOS TO ALL THE DRAMA continues where AMIGAS AND SCHOOL SCANDALS left off. Mariana is back into her life at Spring Mills and everything is spiraling out of control. With constant rehearsals for her impending holiday ballet recital, Emily's ever-growing secretive ways, and her Tia Teresa's New Year's Eve wedding to help plan, there's no rest for her. But as the wedding looms closer and closer, Mariana must finally get everything in her life back in line. Can she do it? Throughout the entire series, Ms. Wallach has been able to keep the characters and the drama in Mariana's life consistent and realistic. Mariana has been a wonderful person to see mature over the last six months. The story has flowed seamlessly from one book to the next. I only hope that we haven't seen the last of Mariana Ruiz and her friends in Spring Mills. There's so much more that can happen for her! Reviewed by: Jaglvr

Kurzbeschreibung What happens in Puerto Rico doesn't always stay there. . . Mariana Ruiz thought she left her summer fling in Puerto Rico, that is until she finds Alex sitting across from her at the breakfast table. Living two doors down from her visiting old flame isn't easy, especially given the unresolved sparks still lingering for her locker buddy Bobby--and they don't exactly go unnoticed. Her best friends are little help as Madison deals with her IM-only "boyfriend" and Emily sinks into secret mode after her parents' recent breakup. The only relationship that seems to be working is her estranged aunt Teresa who's tying the knot on New Years with Mariana and her cousin Lilly as bridesmaids. But the last wedding detail left unplanned is who will Mariana kiss at midnight? Strained friendships, stolen kisses, and secret loves create plenty of surprises to unfold before the New Year's bells start ringing. .
