Von Linda Walvoord Girard : Adoption Is for Always (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Adoption Is for Always (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great tool for helping a child understand adoptionVon Ein KundeThis book is ideal for children who are trying to understand what it means to be adopted, with text geared toward those around four years of age or older. It doesn't avoid the tough issues of adoption: the child in this book voices the fear that her adoptive parents will "give her back", and in a fit of anger she tells her adoptive mother she wants her "real mommy" (birthmother). These are real emotions that adopted children experience, and as my daughter and I read the book together, we can talk about her similar feelings.

KurzbeschreibungAlthough Celia reacts to having been adopted with anger and insecurity, her parents help her accept her feelings and celebrate their love for her by making her adoption a family holiday.
