KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Every believer needs to read this!Von Morschel, RichardThe Agape road is a must read that teaches the difference between

eros (love that is man-centred) versus agape (God-centred). Mumford shares very personally and doesn't just teach theory. The book is solid and biblically sound. It will help people who seek a closer walk with God identify the hindrances in their lives, that keep them from a life of intimacy with the Father. The principles in this book are refreshing and necessary to expose much of the eros teaching in the Church today.

KurzbeschreibungThe road believers travel is broken with twists, turns, and detours into worldliness and man-made religion. Thankfully, God uses that broken road to draw us back toward the destination our hearts long for---intimacy with Him. In *Agape Road*, author Bob Mumford illustrates how to avoid taking detours by abiding in Jesus. Experiencing God's unconditional agape love gives us the security, identity, and belonging we cannot get any other way.
