Von Ein Kunde I purchased this book for my two small boys--ages 7 and 3. We read it several days before Christmas and each night leading up to Christmas, it was the first book and the last book they wanted to read. They learned what Christmas was about and my littlest conversed with the angels in our home on display asking if they were "Alabaster" and begging for them to tell him the story. It is the only Christmas book that didn't get packed away 'til next year! My boys often find it on the shelf and pull it out to say, "Hi" to Alabaster. This book will bring into your heart and your home the true meaning of Christmas to share with generations to come. You will recognize members of your family in the characters portrayed and desire to change and see how much more wonderful Christmas can be by remembering the story of Alabaster 0 von 0 Kunden fanden die folgende

Rezension hilfreich. You don't have to be a child to enjoy this book! Von Ein Kunde Alabaster's Song is a story that you should own, even if you don't have a child. It is warm and sweet, and brings you back to the place where the child inside each one of us still lives. As always, Max Lucado has the gift of reaching down into the depths of your heart and soul, and touching you, drawing you closer to God. Make this book part of your library, part of your Christmas traditions. I read it each year to my "babies", who are now 19, 17, and 13. It is a tradition I will carry on with my grandchildren. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This book captures the very essence of Christmas. Von Ein Kunde I purchased this book for my 4-yr. old Goddaughter. She loves angels and since I am away from her at Christmas this year, I felt this book would teach her a special Christmas story that she would remember for years to come. I even felt a clutch at breath when I came to the last part of the story. Something happens you won't believe! Please share this wonderful story with children and adults alike to give them the TRUE meaning of Christmas.
