KurzbeschreibungThe Enderson brothers-Scott, Chris, Otto, and Ryan-dominate the social scene and bring excitement to the uneventful town of Plainville. They are well-known and well-liked-most of the time. Their loyalty to each other is indestructible until one brother drifts into the wrong crowd. Then there's Alex, the family's youngest child and only daughter, who struggles to rise above her family's reputation. The Enderson parents work long hours and often leave their kids home alone. While the brothers enjoy their teenage freedom, Alex deals with the frustrations of youth with the comfort of her best friend Elaine. Alex is constantly reminded that someday she will become a mature woman, someday boys will like her, someday she'll look back at her youth and laugh. After a revelation by the outcast brother, the family is divided. Dad has to remind all the kids who's really in charge despite the devastating consequences. Will the Enderson family ever be the close-knit group they once were?Pressestimmen"[Alex and the Enderson Brothers is] fearless and unblinking in the face of some tough issues." --Chris Crutcher, author, Staying Fat for Sarah Byrnes"This slice-of-life story reflects some of the trials of family and growing up, and for all the discomfort and angst, ends in an optimistic note." --Narrelle Harris, author, Adventures of the Colonial Boy -[Alex and the Enderson Brothers is] fearless and unblinking in the face of some tough issues.- --Chris Crutcher, author, Staying Fat for Sarah Byrnes-This slice-of-life story reflects some of the trials of family and growing up, and for all the discomfort and angst, ends in an optimistic note.- --Narrelle Harris, author, Adventures of the Colonial Boy KurzbeschreibungThe Enderson brothers-Scott, Chris, Otto, and Ryan-dominate the social scene and bring excitement to the uneventful town of Plainville.
