KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Gute GeschichteVon Marco BorelliAm liebsten htte ich ja eine moderne Wort fr Wort bersetzung unter dem en Text. Aber wenn man am lesen ist, ist diese auch ok um schnell mal zu sehen wenn man ein Wort nicht kennt.Wrde ich sofort

wieder kaufen. Man kommt so schnell wieder ins englisch

KurzbeschreibungTHIS EDITION: The dual-language text has been arranged into sub-paragraphs and paragraphs, for quick and easy cross-referencing. The German translation has been modernised and amended to suit this dual language project. The revised English text is in part a translation from German. Essentially, Alice in Wonderland has been rewritten in contemporary English from the German translation. The emphasis is on attaining a high correlation between each set of text fragments.**BRIEF SYNOPSIS:** Alice in Wonderland, first published in 1865, is about the adventures of a young girl after she dives down a hole chasing a rabbit. She encounters many animal-like creatures that have quirky human qualities, and she herself undergoes many unusual transformations on her journey into Wonderland. Though sometimes regretting her fateful decision to dive down after the Rabbit, Alice is for the most part a fearless and inquisitive young girl. In the underground, the most unusual obstacles appear always to be thrown at her, and with great insight, she manages to explore ways of overcoming them. It is a story full of humour, but also of sharp wit. Lewis Carrolls mathematical ability is revealed in his extensive use of logic in word play.**AUTHOR:** Lewis Carroll is the famous pen name of the English writer Charles Lutwidge Dodgson (27 January 1832 14 January 1898). He also published many works on mathematics, became an Anglican deacon, and was well known as a

photographer.**Kurzbeschreibung**THIS EDITION: The dual-language text has been arranged into sub-paragraphs and paragraphs, for quick and easy cross-referencing.
