of Teens Read Too Von Teens Read Too WHO MADE YOU A PRINCESS?, the fourth installment in Ms. Adina's ALL ABOUT US series, focuses on Shani Hanna. Shani has just spent the last part of summer vacation hanging out at Lissa's place. While there, she met a cute boy, Danyel Johnstone. But it isn't until Shani gets the courage at the end of the break to tell Danyel that she's interested in him and believes there's something between the two of them that she can breathe a sigh of relief. Shani returns to Spencer Academy proud of herself for having the courage to approach him, even if nothing happened before she headed back to school. Once Shani returns to school, she finds out that an old childhood friend, Rashid, will be going to Spencer for the term. Shani doesn't tell her friends that she has a history with Rashid, especially when they find out that he's none other than Prince Rashid al Amir of Yasir. Shani's parents alert her that he'll be attending and to show him friendship and kindness. It isn't until Shani is faced with TWO boys after her attention that the reason for her parents' push towards Rashid becomes clear. Shani, not sharing her friends' Christian values until now, resorts to asking God for help and guidance in the tough decision she is ultimately faced with. The ALL ABOUT US series is a wonderful series for teens to enjoy. It shows the confusion that teens face and the tough decisions that they may be forced to make. As with all books in the series to date, the story is free of loose morality and full of friend support and guidance from God. Ms. Adina never preaches in any of her books and leaves the reader feeling proud of the decisions that the characters have made by the end of the stories. Reviewed by: Jaglvr

Kurzbeschreibung Shani Hanna returns to Spencer Academy for her senior year after an amazing summer spent with her friends Lissa, Gillian, and Carly. But the best part about summer was meeting Danyel Johnstone. Danyel is cute, smart, cool, and super nice. All Shani has to do is get him to see her as more than just one of the gang. But when the girls return to school, they find a new addition to the distinguished student body: Prince Rashid al Amir of Yasir, an oil-rich desert kingdom in the Middle East. Prince Rashid moved to California to prepare for an eventual MBA at Stanford . . . and to romance his future wife: Shani Hanna! It turns out, Shani's family and the prince's go back for generations, entwined in tradition, obligation, and family honor. In each generation, members of the two families have expanded their business interests through arranged marriage. Will Shani put aside her feelings for Danyel to pursue her family's wishes? Or will God answer her prayers for an intervention?
