Von Carl Sandburg : Always the Young Strangers before purchasing it in order to gauge whether or not it would be worth my time, and all praised Always the Young Strangers:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Poet Remembers His Prairie Town Von Ein Kunde If one hears the name Sandburg, the first thing to come to mind is probably "Fog" or "City of Big Shoulders." But in reading this wonderful memoir, we are reminded of what a fine

prose writer the man was. The tale of his struggling Swedish immigrant parents finding their way in late nineteenth century America and young "Charley" as he liked to be called, as the name Carl marked him as a foreigner, is a fascinating glimpse of a bygone time and place. The interesting jobs that young Carl took on, such as traveling the back roads selling stereo-optican views, and his conversations with a civil war vet are rewarding and insightful. I believe this is a wonderful read for anyone with a love of biography, history, or simply good storytelling.

Kurzbeschreibung Born in 1878, Carl Sandburg grew with America. As a boy he played, studied, and matured in Galesburg, Illinois. Sandburg's reminiscence delivers a nostalgic view of small-town life and an invaluable perspective on American history. Index.
