Rev. Dr. Kenton D. Wiley is one of the four works in authors Am I? series Wiley created with the aim to help his readers live more productive and happier life. In this first book of his series Wiley speaks about the question of serving, giving answer to what we are doing every day? We find ourselves questions part of everyday routine forgetting what is this life all about, its true purpose. Therefore he speaks about his will not to serve his need and desires or world, and although as Christian he is committed to serve the Lord, its not always easy to do that. Therefore, in this book Rev. Dr. Kenton D. Wiley looks at serving through the eyes of the Christian, starting from the very meaning of term service, when, why and how should we serve, finishing with the eternal rewards for service. Rev. Dr. Kenton D. Wiley with his book is saying that we need to begin taking position of servitude to our home, community, church and world, in general.
