discovered the secret to seeing dreams come true. While many modern biographies are being written too soon about people who have contributed too little, here is practical encouragement for any young person who desires to discover the outer limits of his or her potential. The list of Bright's 77 important decisions is worth the price of the book. Mike Richardson did not wear kid gloves when dealing with the facts surrounding a small man with a God-sized plan. Because of this, many young readers will be able to say, "With the same commitment, why not me?" Because of this, AMAZING FAITH has the potential of igniting the fires of a spiritual revolution. This one is too good to keep to yourself. Read it and pass it on. END

**Kurzbeschreibung**The Amazing Story of One Faithful Man...One Extraordinary Vision... One Unstoppable Movement.An unforgettable chronicle of courage, determination, faith, and humility, Amazing Faith is the exclusive and inspiring account of how Dr. Bill Bright, founder and president of Campus Crusade for Christ International, stepped out in simple, unwavering obedience to God. Readers will delight in the extraordinary story of how an obedient Oklahoman left the ranch at God's urging, and how that obedience opened the door to reaching literally millions of lives with the message of Christ's love and the coming Kingdom.From Bright's formative years in the Midwest to the lonely struggles and all-too-human foibles of his early ministry...the founding of the unparalleled Campus Crusade movement to the explosive global outreaches of the new millennium...this authorized, behind-the-scenes biography leaves no stone unturned in its examination of a humble life remarkably used by God—a life which, by God's power, has made an impact on three billion souls. Written by a retired investigative reporter who has closely followed the life and ministry of Dr. Bright for more than a decade, and with a foreword by Dr. Billy Graham, Amazing Faith uncovers the calling, the passion, the strategic thinking, the sacrifice, and the astounding impact of one man committed to bold evangelism, disciple-ship, and the fulfillment of the Great Commission in his lifetime. "He's just the kind of man I had in mind when I started the program twenty-five years ago because he's an example to everybody of all religions that it's possible to have progress in religion." -Sir John Templeton, founder of the Templeton Prize for Progress in Religion, which Dr. Bill Bright was awarded in 1996. He donated the \$1 million honorarium to support a national movement of prayer and fasting.From the Trade Paperback edition..deNear the beginning of Amazing Faith: The Authorized Biography of Bill Bright, author Michael Richardson writes about Bright's founding of Campus Crusade for Christ, one of the largest Christian organizations in the world. My answer: No, I am not surprised, for the vision God gave that midnight hour in the spring of 1951 was of such great magnitude--far greater than anything we have yet experienced. The best is yet before us." Bright's single-minded commitment to evangelism fills every detail of his days--he even signs his letters "Yours for fulfilling the Great Commission in this generation."
