Amber's Decision.Von Ein KundeEven though Amber's parents are divorced and she's not sure how to handle all her sad feelings, I liked this book because it has many funny parts. The story really gets interesting when a new girl named Kelly Green moves into the area and goes to Amber's school. A lot of funny things happen, even kids barfing! Kelly

also gets a new name - Kelly Greenbarf! Amber and Kelly become good friends, paint a dog's nails, and spend a lot of time together. At the end of the book, Amber must decide which of her parents to spend Thanksgiving with. This is a very difficult decision for Amber to make since no one should be alone over the holidays. This is a good book for divorced parents to read as well. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Book! Von Ein Kunde Amber Brown isn't the only 2-colored name in class anymore and it makes her sad. She also has to decide which parent to spend Thanksgiving with. Most of the book Amber is sad because of what's happening. But she becomes friends with Kelly Green and works out her problems. It was a very interesting book, both funny and sad. I think other kids would like reading it. That's all. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amber brown is magic Von R J BELLWOOD I am a children's writer living in Leicestershire, UK, and having read this and four previous Amber Brown books, I think that these books have everything for children; humour, irony, warmth, and true-life situations. Paula Danziger gives me lots of ideas.

Kurzbeschreibung Wow! Mom's boyfriend Max has invited Amber and her mom to Walla Walla, Washington for Thanksgiving. And Amber's dad is coming home from Paris to live nearby. Life couldn't be better. Until Amber's dad calls. He's expecting Amber to spend Thanksgiving with him in New York City. And the grownups are leaving it up to Amber to decide what to do. Suddenly, Amber feels as if she is in the middle of a bad dream...which only gets worse when she goes to school and meets the new girl -- Kelly Green. No way...no one in the class has ever had a two-color name like Amber Brown. Hannah Burton smirks and says, "Let the color wars begin!" Home. School. Nothing is going right. What to do? Amber Brown is feeling blue. Pressestimmen- [F]unny, straight-shooting, first-person narration. + -Booklist Kurzbeschreibung Wow!
