Stories with a moral AND interesting illustrationsVon Ein KundeThis book gives interesting stories with a moral at the end of each story and has illustrations on each page. The stories vary in length but can be read quickly due to the author's writing style. While different from "Oz" books, these stories are still a lot of fun.0 von 0 Kunden fanden die folgende Rezension hilfreich. W. Denslow, of one of the most popular books ever written in American children's literature, The Wonderful Wizard of Oz (1900), better known today as simply The Wizard of Oz.
