Von Mary Whyte : An Artist's Way Of Seeing before purchasing it in order to gage whether or not it would be worth my time, and all praised An Artist's Way Of Seeing:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the best books I ever read!Von MartinaHighly motivating and full of wisdom. A book not only about painting but about life. Therefore not only for people interested in painting, but for everyone.

KurzbeschreibungArtist Mary Whyte has learned many lessons over the years--lessons about art and, perhaps more important to her, lessons about life.In this book, she uses specific illustrations from her training, her teaching, her travels and her mentors to show the reader how to see and how to appreciate the artist's experience. Referring to numerous color and black and white examples, she explains what her intentions and feelings were during the composition and completion of many of her favorite works.
