**Von Rev. Fr. Paul O'Sullivan : An Easy Way To Become A Saint (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Easy Way To Become A Saint (English Edition):

An easy but infallible means to reach HeavenVon Ein KundeThis is probably the best book about spirituality that I have ever read. Fr. O'Sullivan tells his readers that by loveing God and offering our daily actions, thoughts, words, trials, and joys to Jesus for love of him, we will gain inestimable joy and grace. He says that we do not have to do anything extraordinary to become the greatest of saints. This book changed my whole life. I heartily recommend it to anyone Catholic, Protestant, or neither.

KurzbeschreibungA very optimistic book showing how an "ordinary" Catholic can become a great saint without ever doing anything "extraordinary"--just by using the many opportunities for holiness that to most people lie hidden in each day. Written with an assurance of success that is totally convincing and infectious. Many easy but infallible means of reaching great sanctity.KurzbeschreibungA very optimistic book showing how an "ordinary" Catholic can become a great saint without ever doing anything "extraordinary"--just by using the many opportunities for holiness that to most people lie hidden in each day. Father O'Sullivan also founded the "Catholic Printing Press" and established the Rosary Association, one of several associations he created with the Church's permission. He wrote on and had a great devotion to St. Philomena as well. He died in 1958, on the Feast of the Presentation.
