Von Dmitrii Khokhlov : An effective and easy start to Language Mastery: The 10 best tips on how to start learning any foreign language the right way (Language Learning Series) (English Edition)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised An effective and easy start to Language Mastery: The 10 best tips on how to start learning any foreign language the right way (Language Learning Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great bookVon Valeriu BraghisThis book provides great tips for foreign language learners. After reading this book, I realized that learning a foreign language doesn't have to be a torture, it can actually be fun. Following these tips helped me transform my language studies into a hobby, rather than labor, as well as accelerate my overall learning process. I recommend it to anyone who wants to learn a foreign language fast and in a balanced way.

KurzbeschreibungThis book is the first book in Language Learning Series, which helps you to start learning a foreign language in the most effective way possible. In the first Book of Language Learning Series you'll get the best tips on how you should start to learn a language, what you should do before that and some key points you should take into account. The most important things are: 4 core questions that without asking yourself you will not achieve stunning results in the language mastery process; creating a language vision, setting learning goals, making up and following a plan; choosing a mentor or teacher and many awesome techniques on boosting your motivation for learning languages and so on.Using described techniques will allow you effectively to: Evaluate your current situation in language learning; Create a clear vision of what you want and how it will be; Make your Language Wheel for the next three and six months; Set short- and long-term goals leading you to language mastery; Define necessary recourses and avoid obstacles in the language learning; Find out how you can learn a language easily, effectively and enjoyably; Find out who can help you to achieve your goals; Surround yourself with the language youre learning or want to learn; Create a supportive environment; Boost your motivation for learning languages; Reach your language goals using an effective program and visualization.So, lets embark upon our language mastering journey! Ready? Lets
