Von Devashish : Anandamurti: The Jamalpur Years (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Anandamurti: The Jamalpur Years (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautifully composed biogragphy of Shrii Shrii AnandamurtiiVon ShubhenduBeautifully composed biogragphy of Shrii Shrii Anandamurtii. Hari katha ananta - His stories are infinite. Yet Devashish has done a great job in compiling

maximum possible cross-checked and verified stories during Baba's Jamalpur years.

Kurzbeschreibung While Paramahansa Yogananda and Sai Baba may have been better known to the public, Anandamurti was arguably the twentieth century's most interesting and controversial spiritual figure. Considered by some to be a social revolutionary with secret intentions of overthrowing the Indian government and by others to be a powerful Tantric with supernatural powers, Anandamurti kept himself scrupulously hidden from the public eye throughout his lifetime. His only interaction with the public was through Ananda Marga, the spiritual and service organization he founded in 1955, and its thousands of orange-robed monks who by the late 1960s had become so ubiquitous in Northern India that they began drawing daily mention in the press and literature of the time. While Ananda Marga gained great notoriety, Anandamurti himself remained a mysterious figure in India until his death in 1990. Based on the oral histories of his disciples, colleagues, and family, *Anandamurti: The Jamalpur Years* unveils a remarkable portrait of this often misunderstood saint and social thinker. Rather than being an academic study of one man's life, *Anandamurti* is primarily a collection of devotional and mystical stories set in a biographical framework that provides the reader with a portal into the magical world of Indian mysticism, yoga, and Tantra. A fascinating story. Devashish has risen to the challenge of capturing this extraordinary life with grace and eloquence. I highly recommend it. Dada Nabhaniilananda, meditation teacher and author of *Close Your Eyes and Open Your Mind*
