Von John Carter Cash : Anchored In Love: An Intimate Portrait of June Carter Cash before purchasing it in order to gage whether or not it would be worth my time, and all praised Anchored In Love: An Intimate Portrait of June Carter Cash:

KundenrezensionenHilfreichste Kundenrezensionen17 von 17 Kunden fanden die folgende Rezension hilfreich. Ein tolles BuchVon M. GrebeEine ehrliche, aber liebevolle Biografie ber June Carter Cash, die langjhrige Ehefrau von Johnny Cash, dem legendren Man in Black. Dieser kommt zwar nicht zu kurz, der Schwerpunkt des Buches liegt aber

auf J. C. C. Autor des Buches ist ihr gemeinsamer Sohn John Carter Cash. Das Buch ist spannend, interessant und enthält auch unbequeme Wahrheiten über J. C. C. Auch sie war, so schreibt ihr Sohn, in den letzten Jahren ihres Lebens medikamentenabhängig, obwohl sie es auf Grund ihrer Erfahrung mit Johnny eigentlich hätte besser wissen müssen. Fazit: Ein tolles Buch, empfehlenswert für jeden Country-Music-Fan !!!

Kurzbeschreibung June Carter was born in the rugged mountains of Maces Springs, Virginia, to Ezra and Maybelle Carter, pioneers of country music. On stage from a very young age, June found her niche in the spotlight with her vivacious personality and down-home sense of humor. Her confidence and spirit were what attracted Johnny Cash to her in the late 1950s. On the road together, they quickly bonded. June was his helpmate and closest companion. They were married for forty years, through addiction and success, tragedy and triumph. *Anchored in Love* is an inside look into the life of June Carter Cash, through the eyes of her only child with Johnny Cash—John Carter Cash. With skillful prose, he reveals new information about the legendary woman through his tender memories and heartwarming stories. From Publishers Weekly: The only son of country legends Johnny Cash and June Carter Cash pens a heartfelt narrative of his mother's life that nicely combines biography, autobiography and inspirational guidebook into a fitting tribute to a woman whose life and career embodied modern country music. Musician and producer Cash spends the first half of his book reviewing his mom's early days performing with the legendary Carter Family in 1939, and her later marriage to Johnny Cash. This story has been notably told before in June's two autobiographies and Mark Zwonitzer's definitive *Will You Miss Me When I'm Gone?*, which Cash dutifully cites, while adding some fascinating stories, such as a possible more-than-flirtation with the young Elvis Presley and various aspects of Johnny and June's courtship that he feels the film *Walk the Line* lacked. But the book really begins to soar in its second half. Cash unflinchingly details the addictions that beset himself and many of his sisters as well as June and Johnny's addictions late in their lives while lovingly showing how throughout this time, and until her death in 2003, June's unshakable religious faith infused her life and helped inspire her children to continue the legacy of her family's music and its strong work ethic.
